

Taste Paradise is the 'brand' of the Tropical North Queensland Regional Food Network. At Taste Paradise, we aim to raise awareness and increase trade in, local Tropical North Queensland produce. We do this by creating paddock-to-plate relationships between producers and consumers, the commercial food service sector, and visitors.

Taste Paradise members include farmers, value-adders, retail food outlets, cafes, restaurants, hotels, resorts, tourism operators, distributors and community members who support the local food, agricultural producers and a short supply chain. We take special pride in ensuring that local produce is in fact being used or supplied through our one-off accreditation process and our members are at the center of everything we do. **Becoming a member is simple...**
